

Activating your eScan License

Click **Start -> Programs -> eScan for Windows -> eScan Registration**

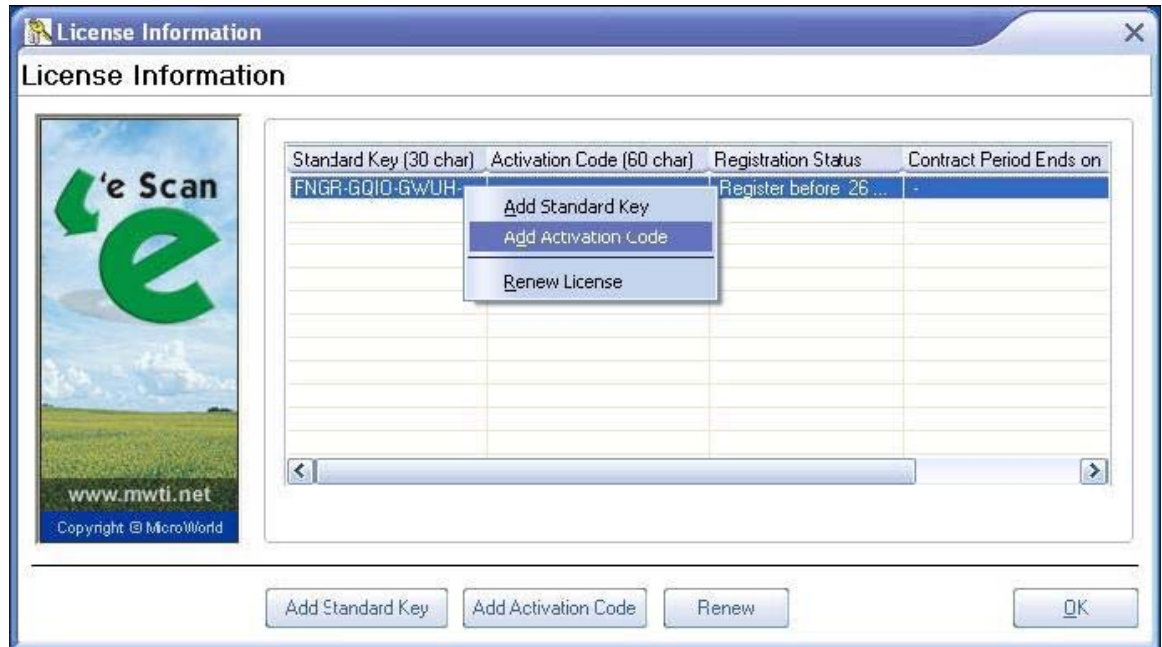

Enter the 30 character License key which you received after purchasing the eScan software and then click on **Apply**.

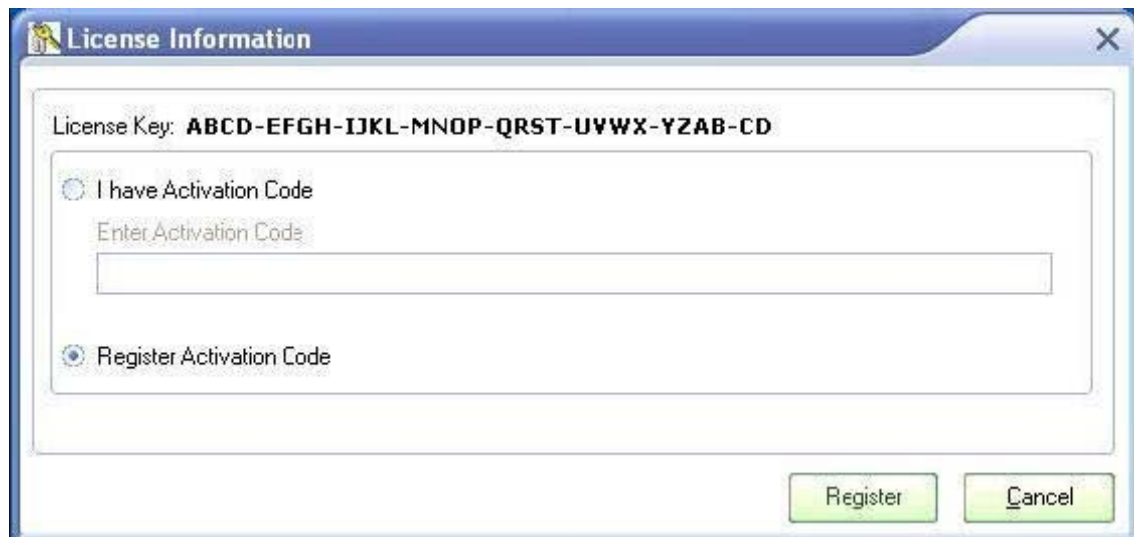

A new License Information window will be displayed.

Right click on the 30 character License key displayed under the **Standard Key** tab and click on **Add Activation Code**.

Next, select the option to **“Register Activation Code”** and then click on **Register**.

In the **Registration Wizard**, fill in all the details as asked and click on **Next** to proceed.

The screenshot shows the 'License Information' window with the 'Registration Wizard' title. On the left is a banner for 'e Scan' with the website 'www.mwrti.net' and 'Copyright © MicroWorld'. The main area is titled 'Personal Information' and contains the following fields:

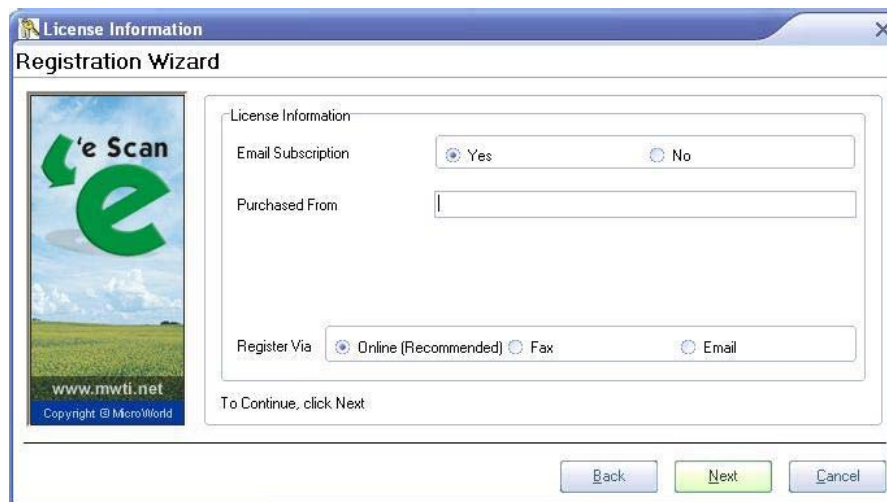

- Name:
- Address:
- City:
- State:
- Country:
- Phone No:
- Hand Phone:
- Fax No:
- Email Id:
- Zip Code:

Below the fields, it says 'To Continue, click Next'. At the bottom are three buttons: 'Back', 'Next', and 'Cancel'.

The **Registration Wizard** window will give you 3 different options for registering your eScan license: online, fax or email.

Register Online

If you select the "**Online**" option, make sure the system is connected to the **Internet**, then click **Next**. The license information will be sent to the developer and a new License key of 60 characters will automatically be added in the License Information window, confirming the activation of your eScan license.

The screenshot shows the 'License Information' window with the 'Registration Wizard' title. On the left is the same 'e Scan' banner as in the previous screenshot. The main area is titled 'License Information' and contains the following fields:

- Email Subscription: Yes No
- Purchased From:
- Register Via: Online (Recommended) Fax Email

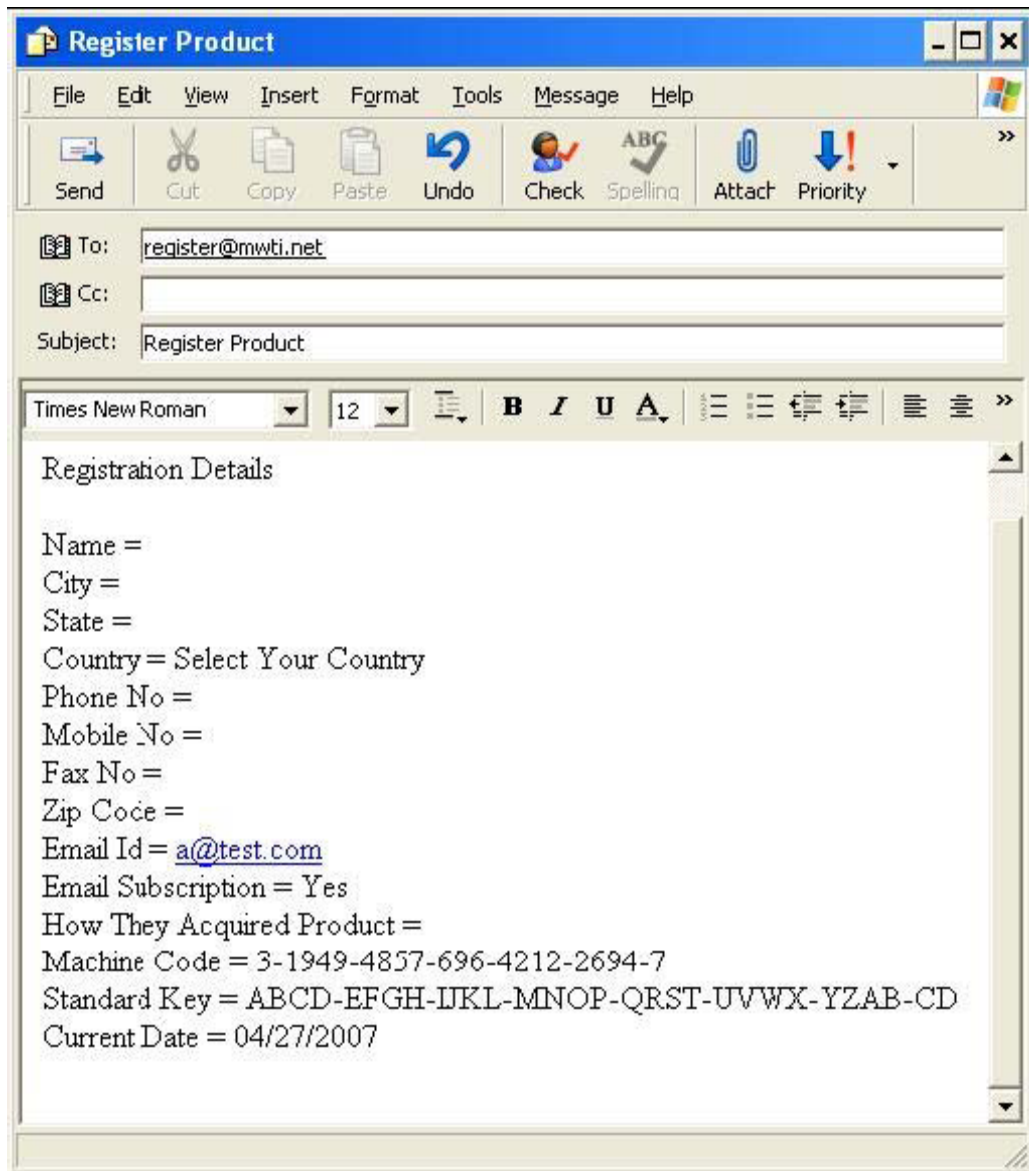

Below the fields, it says 'To Continue, click Next'. At the bottom are three buttons: 'Back', 'Next', and 'Cancel'. The 'Next' button is highlighted in green.

Register via Email

If you wish to register via email, select the “**Email**” option, then click on **Next**.

A new email will automatically be created with all details provided in the **Registration Wizard**.

Send this email to register@mwti.net. Once received, you will be emailed the new License key to enter into the License Information screen.

Register via FAX

If you wish to register via fax, select the "FAX" option, then click on **Next**.

A text file named "**FaxRegister.txt**" will be created automatically. Print the text file and fax it to the developer (MicroWorld) at 1-248-848-9085
